MEETING ROOM RENTAL POLICY

Reservations must be made by persons 18 years of age or older.

Application for use of the meeting room must be made on the room rental request form. Requests must be signed by an adult of requesting group who assumes responsibility.

Space must be requested at least 7 days in advance. No rentals can be acquired on the day of the event. Reservations may be made up to 6 months in advance and will be done on a first come – first served basis. Reservations for rentals must be accompanied by a \$150 refundable damage/security deposit.

For rentals in which the total fee will be less than \$100, the total fee will be due upon application. For rental fees which total over \$100, at least 50% of the total fee is due upon application. All rentals shall be paid in full no later than 7 days in advance.

In the event that damage to the facility or its equipment (as a result of the rental) should exceed the deposit, the damage deposit will be kept and additional charges will be assessed by the City. Those charges will not exceed the cost to repair or replace the damaged items.

Cancellations: Cancellations made at least 7 days prior to the rental date will receive a full refund of all fees and deposits paid, less a \$10 processing fee. Rentals cancelled less than 7 days in advance of rental day will forfeit all pre-paid fees; security deposit will be returned.

During bad weather, cancellations will be accepted if called in accordance with Shawnee Mission School District weather (snow or tornado warning) policy. All events or rentals cancelled due to bad weather will be re-scheduled. No refunds will be available.

Rental groups will be responsible for their own clean-up including: disposal of trash, removal of decorations, and cleaning of tables and chairs.

Rental groups will be charged for ALL hours in which the room is dedicated to their use, including decorating, and clean up time following the rental.

Communications and requests for set-up will be made only with the original applicant listed on the facility request form. Request should be confirmed with the Visitors Bureau Director. Requests for specific set-ups will be honored unless in violation of city fire code or inability to accommodate schematic. After the staff has set the room up, any changes will be the responsibility of the rental group.

The requested room will be available 15 minutes prior to the rental time, and should be vacated at the time specified on the rental request form. Additional charges will be assessed to groups who fail to vacate at specified time and will be deducted from room deposit.

The use of loose glitter and confetti is prohibited. No ice or loose material may be thrown inside the building. No items may be attached to any part of the walls (tacks, staples, tape, etc.)
