Community Center Update

The site has officially gone vertical with the parking structure precast beginning on Monday, April 22. The piers and foundations at the community center are currently being built. Once the parking structure is in place, backfill will be completed which then allows for the internal road network to be constructed. This is a key component as it then moves all construction traffic off of Slater and onto IKEA Way. This will have a positive impact on the neighborhood in time for the pre-cast of the community center to be delivered.

Other Business

New Community Center Room Naming Discussion

Building off the discussion of March – there were two main concerns:

1. Concern about using names in the event there is a negative history associated with names. It is fair to say that the behaviors of the 1800s are different than today but the names suggested are recognizable within the area and are utilized today in various locations. These people were considered forefathers and community leaders.
2. The suggestions of using street names could provide confusion based on the grid system within Johnson County – roads are not named specific to Merriam

To aid in discussion, staff created a ballot with the suggested names based on those previously proposed. The concept was this would provide a process of elimination helping to identify the top choices. Kathy Stull compiled a list with other details and it was decided to add First Americans Tribes (Kansa, Osage and Shawnee) to the choices. Through discussion of adding this option, staff was directed that if chosen, more information from Haskell Indian Nations University would be necessary to ensure the naming is done in an appropriate manner. Elimination voting proceeded to identify top choices. Recognizing the top suggestions, board members discussed the merit of the top options and concerns for possible confusion.

Large Banquet Room: Christopher Leitch made a motion to name the large banquet room First Americans Room with each smaller room being, Kansa, Osage and Shawnee, pending input from Haskell University. The second option, if not acceptable by University officials, would be to name the space Founder’s Room with each smaller room being Campbell, Kessler, Loomis. Kathy Stull seconded the motion; motion was approved unanimously.

Classroom: LaVera Howard made a motion to name the classroom the Ester Brown Room; Thelma Fowler seconded the motion; motion was approved unanimously.

Party Rooms: LaVera Howard made a motion to name the party rooms the Trolley Room and Depot Room; Christopher Leitch seconded the motion; motion was approved unanimously.

Conference Room: LaVera Howard made a motion to name the conference room the Founder’s Room, pending the decision of the large banquet room, with the second option being the Walker School Room. Suzanne Downey seconded the motion; motion was approved unanimously.

Residency / Household Policy – Second Review

There was excellent discussion last month. Staff prepared an updated memo included in the packet to address discussion topics and discussion continued. It is important that proof of residency be administered effectively, easy to manage and utilities are tied to a physical address and are required by every residence. Thelma Fowler motioned to accept staff’s proposal of defining residency as:

- (a) Any person who has a permanent residence within the Merriam City limits
- (b) Any person owning taxable real estate in Merriam

Proof required with a valid driver's license, **current utility bill (electric, gas or water)**, current city business license or Notice of Appraised Value issued by the Johnson County Assessor's Office.

Kathy Stull seconded the motion; motion was approved unanimously.

Defining household provides a measure of affordability to family units. There will be a variety of memberships sold: youth (under 17); Senior 65+; Couple (2 adults same household); and Household. Quantifying the number allowed in a household is an accounting measure in order to achieve the business plan outlined in the ProForma. Suzanne Downey made a motion to accept staff's proposal of defining a Household as:

Two (2) adults and up to **four (4)** dependent children as defined by IRS Qualifying Age Rule. Children 18 – 24 must provide proof of residency (see residency proof documents).

LaVera Howard seconded the motion; motion was approved unanimously.

Staff was not able to prepare information on this topic in time for the April meeting. This will be tabled until later in the summer with more concrete program plan for discussion.
